- All full-time students, meeting requirements, are automatically OPTED-IN to Selkirk College Students' Union extended health care plan.
- You MUST have an existing, extended health care plan to be able to opt-out.
- MSP is NOT extended health/dental coverage.
- You MUST opt-out by the last day of the month that your course started in.
- Once you have opted-out, you will be opted out for the rest of your Selkirk College career.

If you do not opt-out properly and on time, the last day of the month that your course starts, you will be automatically be assessed the coverage and the associated fees will remain on your account.
